The Old Indian Herb Medicine Man, J. P. Kerr, 616 N. Eutaw Street, Baltimore, Maryland, the greatest healer of the sick and afflicted in the world. I cure the following diseases or no charge: No one need fear.

Heart disease, Consumption, Blood Kidney Bladder, Stricture, Rectal, Vertigo, Throat, Lung, Dyspepsia, Indigestion, Constipation, Rheumatism in any form, Pains and Aches of any kind, Catarrh of the stomach, Kidney, Bladder or Stomach or complaints of any kind, Cold, Sore Throat, Bronchial troubles, Sores, Skin diseases, all itching sensations, all female complaints, La-Grippe or Pneumonia, Ulcers, Carbuncles, Boils, Dematiations or sunken parts, Pimples on face and body, Diabetes of the Kidneys, or Brights disease of the Kidneys.

I cure any disease to matter of what nature. I have cured thousands and restored them to the best of health, where the most scientific medical skill failed to even give relief, that I can prove in the highest courts of necessity. The State Board of Health of Kentucky charged me with the terrible crime of looking at a man's tongue which they claimed to be a medical examination without a diploma, and I had to leave the State or pay a heavy fine.

I have been in Baltimore for 4 years past, and have thousands of the most influential people to back me in my assertions every way. I will send you in every letter full particulars of how the Medical Fraternity has treated me for curing all diseases with Herb-teas that baffle all medical science or human skill. I have been in over 500 cases of confinement. I am no physician nor do I pretend to be. My teachings and learnings are from Indians and colored savages. All letters promptly answered when a two cent stamp is enclosed. Tell me your nearest express office for shipment. I send you testimonials from all parts of the world.

J. P. KERR, 616 N. Eutaw St., Baltimore, Md.

THE KIDNEYS.

Kidney trouble, are undoubtedly the cause of more deaths than any other disease, for the reason that their approach is slow and gradual, and as a rule, unaccompanied by warning symptoms. The Kidney relieves the system of all poisonous material, and discharge it through the urine. When they become diseased the poison remains in the blood, gradually increasing in minute quantities until the system can no longer resist its effects. The heart becomes affected, action fails and dropsy appears. The nervous system is poisoned and convulsions are followed by death.

The liver and kidneys act like drains, to collect and carry away waste and to turn out materials from the body. In the spring the functions of these organs are imperfectly performed, and the organs become clogged by the waste matters which are thus retained in the system. That is why you are so weak, tired and languid, wake tired mornings, and lack your usual strength, energy and vim in the spring.

Why you have weakness and pain in the side or back, high-colored urine, with sediments, headache, coated tongue, bad taste in the mouth, thirst, biliousness, constipation, cold feet, poor circulation, extra me nervousness and prostrated feelings.

It is a sad fact, which many realize, that the high fees charged by most physicians are a very serious burden upon patients, especially when the cost of having their prescriptions filled is added. This burden Mr. Kerr does away with entirely by charging no fee whatever. The only charge made under any circumstances is the price of the medicines prepared in his own extensive laboratory, under his direct supervision, the cost of these remedies is very reasonable.

In fact, the treatment is within the reach of all, and we should advise our readers who suffer from any form of disease, and have failed to find relief to consult Mr. Kerr at his office, 616 and 618 N. Eutaw St., Baltimore, Md.

Mr. Isreal Fernandez, 637 Haw St., Baltimore, says: "I have been suffering for ten months with neuralgia in my feet. They were so sore and painful that they could not bear the heat of the sun. The doctors said I would have to get both feet cut off at the ankle joints, but the Old Indian Herb Medicine Man saved them from such a fate. He cured them and made me a healthy man in every way."

Mr. Isreal Fernandez, 637 Haw St., Baltimore, says: "I was confined in my bed with a fearful case of inflammatory rheumatism for six months. It was so painful and sore that I had to be turned with blankets when I wanted to be turned to the other side. My stomach was sick and sour, my bowels were terribly constipated, my legs were swollen as big as barrels, my skin was as yellow as yellow could be, my eyes were set and hazy like a dead person's, my legs and feet were as cold as ice, my flesh was like spongy cheese, I could sink my fingers into my flesh and it would take an hour to come back to its right position. Every one said I had dropsy as well as rheumatism and a complication of complaints. I tried medicines of every kind and everything that I saw advertised. But every thing made me worse. My friends advised me to try the Old Indian Herb Medicine Man's teas at 618 North Eutaw street, and that I would be sure to get cured. I did so, and five dollars worth of his Indian Herb tea cured me in every way. I have a good appetite. I have no sour, sick stomach, no aches or pains, but am as regular as clock work in every way."

street, Baltimore, Md., cured me of dyspepsia, indigestion and fearfully constipated bowels, and pains from the top of my head to the ends of my toes and female weakness, or generally known as whites. My stomach was sour, sick headache and to cap the climax I had the bleeding piles which was fearful in the extreme. The blood would trickle down into my shoes. Oh, what a horrible feeling no one knows but myself. It would be impossible for tongue or pen to express the fearful feelings and thoughts that passed through my head and brain. Anyhow, the Old Indian Herb Medicine Man cured me. I have been in perfect health for two years from his cure of Herb Teas.

William Ricker, 1403 West Winchester Street, Baltimore, Md., says: "The Old Indian Herb Medicine Man, at 618 North Eutaw Street, cured me, my wife and two children of eczema. My face, arms, body, legs, feet and hands were like raw beef. The flesh on my hands and feet split to the bone. The same as if it had been made so with a sharp razor. My wife was worse than I, and my two little children were as bad or worse. When I went to the Old Indian Herb Medicine Man he told me to bring my family to him, which I did. He told me it would take four months to get us well. My family doctor said there was no cure for us, but the Old Indian Herb Medicine Man, at 618 N. Eutaw Street, said if he did not make a permanent cure for us he would not charge us. So he went to work on us with his herb teas and salves. Inside of four months we were as well as any people in the United States, and have been for nearly two years.

We owe our lives to the Old Indian Herb Medicine Man, at 618 North Eutaw St. I send him hundreds of people who have been afflicted for years with all kind of diseases, and the people never let up praising him in every way. In my business I meet hundreds every day, and I always send them to the Old Indian Herb Medicine Man, at 618 N. Eutaw Street, and all that go to him are sure to get cured, when the

physicians or doctors say there is no cure for them. The Old Indian Herb Medicine Man has the most wonderful name for curing all kinds of diseases of any man in the United States."

WILLIAM RICKER, 1403 Winchester St., Baltimore, Md.

Dr. A. W. Johnson at the great and noted Arkansas Hot Springs says: "After practicing medicine for thirty-five years I was taken with Diabetes of the Kidneys and for 8 years, and traveled for 6 years to every known health resort in the civilized world, and trying all the most able doctors and specialists and none did me any good, and as a last resort I stopped at Pueblo, Colorado, where they claim to have a well of drinking water that cures all Kidney, bladder or any other trouble. Drinking the water from that wonderful well only made me worse. There I met the Old Indian Herb Medicine Man's herb teas, he cured me and made a new man of me in every way in three months. That was in the fall of 1885. I have been in perfect health ever since and never felt better in my life."
